

Jetinno JL300 Automatic Vending Machine with 21.5" Touch Screen, 40 Beverage Selection, and Power-off Protection

Our Product Introduction

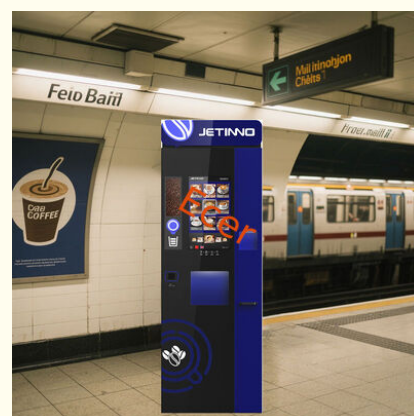

Basic Information

- Place of Origin: Guangdong, China
- Minimum Order Quantity: 2
- Price: 3550

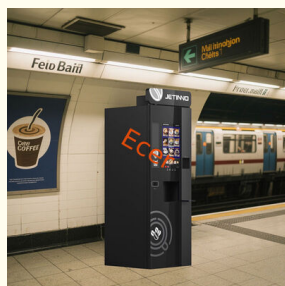

Product Specification

- Model NO.: JL300
- Payment: Paper Money
- Charge System: Credit Card
- Function: Insulation, Heating, Cooling
- Touch Screen: Touch Screen
- Power-off Protection: With Power-off Protection
- Extended Networking: Support Extended Networking
- Change: With Small Change
- Failure Self Detection: With Failure Self Detection
- Condition: New
- Customized: Customized
- Selling Units: Single Item
- Single Gross Weight: 150.000 Kg
- Product Name: Coffee Vending Machine
- Payment System: Coin Bill Card QC Code

Frequently Asked Questions

When was Jetinno established?

Jetinno was established in 2013. Prior to that, our founders and R&D team worked for German company Spengler for 7-8 years. Jetinno is now a leading manufacturer with 18 years of actual experience in vending, Ho.Re.Ca, and OCS coffee machines in China.

How many employees does Jetinno have?

Currently Jetinno has about 200 full-time employees, including 60+ R&D engineers.

What kind of certificates does Jetinno have?

Company Certificates: ISO9001, ISO14001, and ISO45001

Product Certificates: Various certificates covering electrical and food safety and EMC, including CB, CE, CQC, UL, EAC, PSE, KC, NOM, LFGB, NSF, and FDA.

What's the R&D strength of Jetinno?

Jetinno operates 1 R&D center and 4 laboratories. Our 60+ experienced engineers are organized into specialized teams including project management, mechanical engineering, hardware, software (firmware, Android & Linux applications, IoT), testing, and certification departments.

What's the annual production capacity of Jetinno?

100,000 sets of coffee machines annually.

What kind of training can Jetinno provide?

Jetinno offers three types of training programs: Online Training, Headquarter Training, and On-site Training.

How can I get technical support from Jetinno?

Jetinno establishes dedicated support channels through WeChat or WhatsApp groups with assigned after-sales engineers. Customers can also send technicians to our headquarters for comprehensive training. For distributors, key accounts, or machines with batch quality issues, Jetinno will dispatch engineers to provide on-site technical support.

What's the warranty for Jetinno machines?

Jetinno provides 1-year warranty for the entire machine, and 3-year warranty for the grinder and brewer components.
