

Jetinno JL300 Automatic Coffee Machine with 21.5" Touch Screen 40 Beverage Selection and Power-off Protection

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Minimum Order Quantity: 2
- Price: 3550

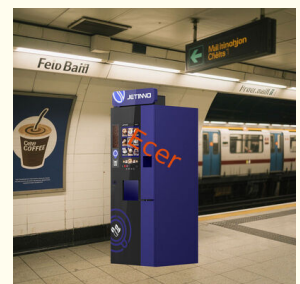

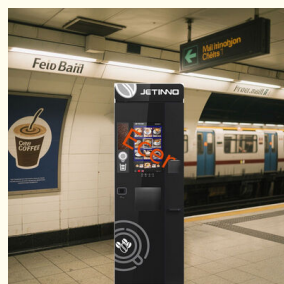

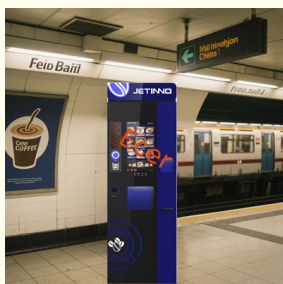

Product Specification

- Model NO.: JL300
- Payment: Paper Money
- Charge System: Credit Card
- Function: Insulation, Heating, Cooling
- Touch Screen: Touch Screen
- Power-off Protection: With Power-off Protection
- Extended Networking: Support Extended Networking
- Change: With Small Change
- Failure Self Detection: With Failure Self Detection
- Condition: New
- Customized: Customized
- Selling Units: Single Item
- Single Gross Weight: 150.000 Kg
- Product Name: Coffee Vending Machine
- Payment System: Coin Bill Card QC Code

Frequently Asked Questions

When is Jetinno established?

Jetinno was established in 2013. Prior to that, our founders and R&D team worked for German Company Spengler for 7-8 years. Jetinno is now a leading manufacturer with 18 years of actual experience in Vending/Ho.Re.Ca/OCS coffee machines in China.

How many employees in Jetinno?

Currently Jetinno has about 200 full-time employees, of which 60+ are R&D engineers.

What kind of certificate does Jetinno have?

For the company, we have ISO9001, ISO14001 and ISO45001 certificates. For products, we have different certificates covering electrical and food safety and EMC, including CB, CE, CQC, UL, EAC, PSE, KC, NOM, LFGB, NSF and FDA.

What's the R & D strength of Jetinno?

Jetinno has 1 R&D center and 4 labs, with 60+ experienced engineers engaged in R&D. We have different groups in R&D including project team, mechanical, hardware, software (firmware, application - Android & Linux), IoT, testing department, and certification team.

What's the annual production capacity of Jetinno?

100,000 sets of coffee machines annually.

What kind of training can Jetinno provide?

Jetinno can provide three types of training: Online Training, Headquarter Training, and On-site Training.

How can I get technical support from Jetinno?

Jetinno will set up WeChat or WhatsApp groups and assign dedicated after-sales engineers for technical support and troubleshooting. Customers can also send their technicians to Jetinno headquarters for comprehensive training. For distributors, key accounts, or machines with batch quality problems, Jetinno will dispatch engineers to customer locations to provide technical support.

What's the warranty for Jetinno machines?

Jetinno provides 1 year warranty for the whole machine, and 3 years warranty for the grinder and brewer.
